

DIGITAL LITERACY

WHAT IS IT?

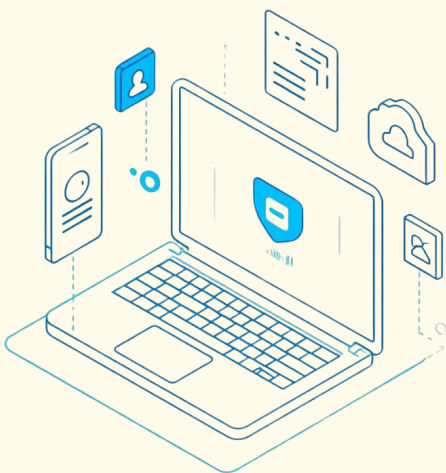

Digital literacy is the ability to find, evaluate, create, and communicate information using digital technologies. It's essential for academic success and navigating today's connected world.

SAFE INTERNET TIPS

Use strong, unique passwords for each account. Enable two-factor authentication. Verify sources before sharing information. Avoid clicking suspicious links or downloading unknown files.

ESSENTIAL DIGITAL TOOLS

Google Docs for collaborative writing, Zoom for virtual meetings, Canva for design projects, Notion for organizing notes, and cloud storage like Google Drive for file backup.

EMAIL ETIQUETTE

Use clear subject lines. Start with a professional greeting. Keep messages concise and proofread before sending. Include a signature with your name and contact info.
